## Mission 3:

Advanced Slidex  
Challenge

Thank goodness you have arrived. We really some help from a Slidex expert like you!

We have intercepted the following coded messages.

We have managed to capture a red Slidex vocabulary card, but we are not sure which cursors are being used.

From the selection of six cursors, figure out which are the correct two so you can crack the codes. Good luck!

HI BF RM PF. HM SM HE. SY LE LF HF.
